Everyone should be aware that we heard that James Parnham passed away May 6th. Later we found out that he had left his two bikes to the Pioneer Chapter Riders Club. They were titled in Oregon so we have transferred the titles to Doug Bruns so there are MN titles on the bikes. We have the bikes at The Shed in Farmington MN. A 2000 White Deadwood and a 2010 Vegas Jackpot Extreme Graphics with custom factory paint and accessories and other accessories James had added.

The special meetings were held so decisions could be made on how to handle this. It was decided to sell the bikes and give members the option to buy first before going public.

A motion was made to set a minimum price on each motorcycle at \$5000. Motion passed unanimously.

A motion was made to accept bids in \$100 minimum increments over previous bids. Motion passed unanimously.

A motion was made to accept bids until 23:59 September 30, 2022. Motion passed unanimously.

If you are interested in either of these bikes you can contact Dan Muller at 612-207-1175 or via e-mail at stonegate991@gmail.com. He can provide you with pictures of the bikes.
